

Customer

Subscriber

The map displays the distribution of subscribers across Manhattan, New York. The density is highest in the central part of the island, particularly in the areas around Times Square and the Theater District, indicated by the yellow-to-orange color gradient. The density decreases as one moves towards the edges of the island. The map includes labels for major streets, parks, and landmarks.

A vertical color bar legend indicating the number of publications. The scale ranges from 500 (yellow) to 2000 (red). The values 500, 1000, 1500, and 2000 are marked on the right side of the bar.
